Goals:

\$50,000 to fund a TSC center at the Ann & Robert H. Lurie Children’s Hospital of Chicago. This center will offer families a one stop multi-disciplinary clinic, eliminating the stress of traveling to multiple specialists throughout the Midwest. Bcureful recently donated \$20,000 from fundraising events; \$30,000 new GOAL.

\$100,000 to fund a gap in funding for an everolimus research project at the Comprehensive Epilepsy Center at NYU Langone Medical Center. Dr. Orrin Devinsky, a renowned neurologist and researcher, believes hope for a cure is realistic and has identified a promising research project for TSC patients. Bcureful recently donated \$15,000 toward the research project; \$85,000 new GOAL.
